# AFRICAN VIOLETS

African Violets have increased in popularity more than any other plant. They reward you with constant bloom with very little care. New colors have been produced, also strong growing varieties. We offer several of these newer, larger flowered and new colored varieties. All with pretty foliage. Many in bloom.

Sturdy plants 6 months old shipped in 2¼" clay pots and labeled. Safe delivery and prompt shipment guaranteed. Order some of these choice varieties NOW. **See Special Offers at Bottom of List.**

# Fert-L-Fed Pots

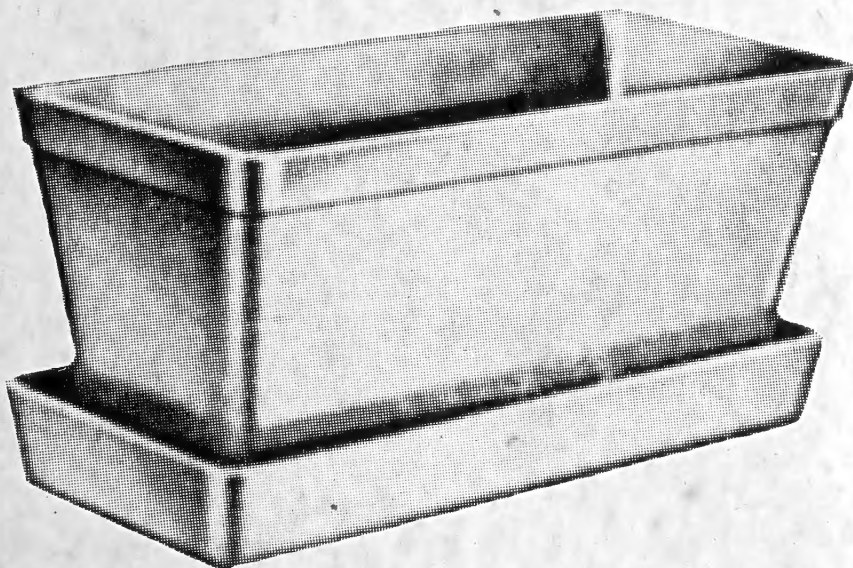

FOR  
AFRICAN VIOLETS  
AND  
OTHER PLANTS  
A new and Practical  
Growing Pot

Easy to water. No spilling or changing. Pour water or plant food into base. Water enters flower pot thru specially designed opening in bottom. Plants can be watered and fertilized in a jiffy—without muss or fuss or danger of burning the most tender roots. Nothing better to prevent water damage to the leaves of African Violets or similar plants. The soil stays moist at all times. Nice size too! 5 inch diameter at the top Sill size base. Comes in four rich colors. **Red, Yellow, Green or Bronze.**

**.75 each, 3 for \$1.90, 6 for \$3.60**

## Prop-R-Fed Planters

This sill-size planter is very practical. Beautiful colors and modern design. It is self-watering, self-feeding and self-aerating. Moisture and food reach the roots from the bottom. No danger of foliage damage to African Violets or other plants. Sill-size to comfortable fit on window or mantle or most any "show-off" spot around the room.

Water and food are placed in the feeding tray. Capillary action carries the food and water directly to the plant roots for healthier growth. Plants are watered and fertilized, grow properly—and with less care.

PROP-R-FED Planters are 3 1-2 inches wide and 8 inches long and are 3 1-2 inches deep. Will support two nice African Violets.

**Colors—Cherry Red, Lemon Yellow, Forest Green, Old Bronze and Chartreuse. Be sure to order the colors you want.**

**Price \$1.15 each, 3 for \$3.20, 6 for \$6.00**  
**Be sure to order PROP-R-FED PLANTERS**

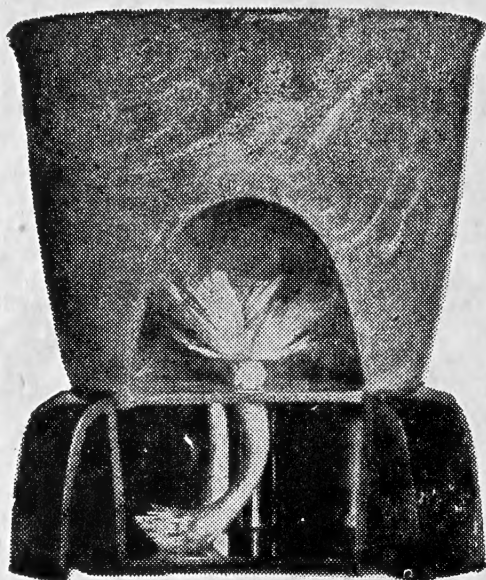

**WOOD LABELS—Machine made, pointed. Write name with pencil or ball point pen. Neat. Long lasting. 4 inches long.**

**100 labels only .80 postpaid**

# WIK FED FLOWER POT

Recommended for  
**AFRICAN VIOLETS**

Fill Reservoir  
Once a Week

"Wik-Fed has two parts—The base or reservoir for water and the upper vase to hold the plant. Water is fed to the roots from the base with a wick of spun glass. They really work and we sold thousands to satisfied customers. The

base is black and the vase can be had in eight different shades. Order the colors you want—Pastel Blue, Marble Lavender, Bright Red, Marble Green, Ivory, Yellow, Pink also Bronze, with bronze base.

4 inch size \$1.25 each, 3 for \$3.50, 6 for \$6.50 postpaid  
Lge. 5 in. size \$1.50 ea., 3 for \$4.60, 6 for \$9.00 postpaid
